The best of the sunnier weather will be once again in the south.

Temperatures of 18C in London, 17C in Cardiff, 15C in Manchester, Belfast and in Edinburgh.

Things will improve to mainly settled conditions early next week – initially warm and humid in the south, but widely rather cool by Tuesday.

Perv Glitter BANS Trump from using his hits at campaign rallies

POP meganonce Gary Glitter has BANNED Yank President Donald Trump from using any of his hits at campaign rallies.

The kiddy-touching glam rocker – real name Paul Gadd – told pals he "doesn't wasn't to be associated" with Trump, who is running for a second term in the White House.

Glitter, 76, made the move after the Rolling Stones threatened legal action against Mr Trump for his use of their song, *You Can't Always Get What You Want*, at campaign rallies.

A pal of Glitter, currently serving 16 years for noncing, said: "Gary knows that he's not exactly flavour of the month but doesn't want anything to tarnish his reputation further when he gets out.

"He's not big into politics but is no fan of Donald Trump. He's decided to move before Trump marches onto stage chanting, 'Come on, come on' or something.

"Trump isn't the sort of thing he wants to be associated with."

Earlier this month, the family of late rock star Tom Petty issued a cease and desist letter over Trump's use of his song, *I Won't Back Down*, at a rally in Tulsa on June 20.

Brit rockers Queen also complained when Trump walked on stage to their anthem, *We Are the Champions*, during a Republican party event in Cleveland, Ohio, in the run-up to the 2016 presidential election.

Tom: Hollywood's still on hold

OSCAR-winner Tom Hanks says Hollywood has "no idea" when it can return to working again.

The *Forrest Gump* and *Philadelphia* star became the first high-profile celebrity to come down with COVID-19 back in March, shortly before he was due to begin shooting a new biopic about Elvis Presley in Australia.

He said: "I have no idea when I will go back to work... nobody has any idea of when they will go back to work.

"But the time will come – we just don't know when."

He added: "Everything comes into play – there are financial concerns, and there are legal concerns and liabilities, too."

MONDAY

STRICT lockdown rules are imposed on Leicester after a spike in coronavirus cases.

People were also warned to avoid nearby places like Coventry, Nuneaton and Rugby.

Not because they have high coronavirus cases. They're just shitholes.

TUESDAY

THE Black Lives Matter movement turns its anger on a new target: Charles Dickens.

A protester scrawled graffiti to condemn the famous author – who was born in 1812 and didn't have the benefit of Twitter to tell him what to think – as a racist.

Ssssh... don't say anything but we reckon the #MeToo brigade will come after him next.

Well, he did call one of his most famous characters David Cop-a-Feel. And, as the man on the back of a tenner, he's had his face inside the knickers of every lap dancer in the UK since 1993.

WEDNESDAY

PRESIDENT Trump says he likes to wear anti-coronavirus face masks because – in his words – "I look like the Lone Ranger".

Er, not really mate.

Firstly, you think Tonto is a city in Canada.

And secondly, you're not a hero but a spoilt brat with a string of bankrupt businesses.

You're less Lone Ranger and more "loan arranger", not so much "hi-ho silver" as "I owe gold".

THURSDAY

THE secret of the Hollywood director Christopher Nolan's success is revealed – he bans chairs from set so that nobody gets paid for sitting around.

That's genius.

It's important actors aren't allowed to sit down as it closes the buttocks and muffles the anus.

Which means we won't be able to hear them properly when they talk about their charity work, political views or thoughts on climate change.

FRIDAY

THE Government says we no longer have to self-isolate for 14 days after visiting Spain.

Well, not for coronavirus reasons at least.

But if you go to Benidorm and spend all your money on Sticky Vicky, your missus will still make you spend a fortnight sleeping on the sofa.

And, yes, my back is still killing me.

SATURDAY

TORY MP Jacob Rees-Mogg promises to celebrate the re-opening of pubs in England by downing a yard of ale.

Yeah right. He looks like the only yard he's ever tasted is the schoolyard – when he was face down and having the shit kicked out of him by the bully from three years below.

He's a keen Brexit fan so if you really want to piss him off, tell him there's no such thing as a yard of ale. It's actually 0.914 metres.

HOORAY, THE PUBS ARE OPEN!

By SUZIE SHELDON
news@sundaysport.co.uk

WELL, what did you think was going to happen?

After more than three months of being shut because of the Chinese Death Plague, pubs across England – apart from Leicester – threw open their doors yesterday.

And with a WHOOP! Britain got drunk.

Our intrepid reporters and snappas were on the streets to see the action.

From Bristol to Berwick, boozers were doing a brisk business as thirsty punters flocked back to bars.

Of course, it was not business as usual inside bars – social distancing rules meant the days of the packed-to-the-rafters pub have not returned.

As queues formed outside popular watering holes, outside it was just like any other Saturday night as well-oiled revellers embraced pubs returning.

Here are a just a few scenes captured by our photographers…

Biggest beer garden hitch

PLANS to open Scotland's biggest beer garden when pubs north of the border reopen for outdoor boozing on Tuesday have hit a slight snag.

Bosses at Hawick Rugby Club are turning the pitch at their Mansfield Park ground into an open-air drinking area and hope to open it on July 7.

However, it's emerged that the club's licence for its bar doesn't cover the pitch at the ground and that an occasional licence is now needed for its new beer garden.

It's now put an application in and held talks with Scottish Borders Council officers and police, in the hope of getting the mix-up resolved.

Don't drink & dive warning

COASTGUARDS were last night braced to fish folk out of the drink as they warned – DON'T booze and swim!

As pubs across England reopened, the coastguard said in a statement: "Alcohol is a contributory factor in a significant number of coastal drownings every year, and we advise against setting out to sea if you have been or are drinking alcohol.

"Even if the weather is warm, the waters around the UK remain extremely cold throughout the year.

"If you are having a glass of something cold at the coast, please enjoy the sea view, but don't be tempted into the water."

Some booze is good for you!

GOOD news for people waking up with a hangover today – boozing is GOOD for you!

A new study shows while drinking alcohol isn't necessarily healthy, there are some benefits associated with low to moderate quaffing.

The study, by the University of Georgia, California State University and the Beijing Institute of Respiratory Medicine, found low to moderate drinkers had consistently high cognitive function trajectories and slower rates of decline compared to those who never drink.

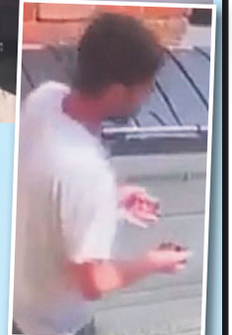
SKIP TO THE LOO: Boozer squats down

CAUGHT BROWN-HANDED: Shop boss is hopping mad

TAKEAWAY: Filthy beast is told to pick up and remove fresh stool



NATURALLY, not everyone was well behaved as England's boozers reopened yesterday.

And by mid-afternoon, one sozzled supper was caught short as he was bar-hopping.

This footage was captured by CCTV, apparently in the West Midlands.

The dirty dog decided to do a PLOP alongside a skip just behind a shop.

But his foul deed is unearthed when the dismayed shop owner comes out of the back door and catches him mid-crimp.

The burly shop owner then forces the crapper to PICK UP his own filth and carry it away.

One witness said: "Give that shopkeeper a knighthood!

"Anyone who does a shit in public like this needs their arsehole sewn up.

"Or maybe have their nose rubbed in it! Dirty cts!"**

Kelly's getting fab sex now she's 40

KELLY Brook has insisted that sex is better now that she's older.

The model and radio host spoke about her sex life with her hunky boyfriend Jeremy Parisi, 35, on her podcast *Feeling Fab At 40*.

She explained that it helps that she feels more confident in telling him what she likes in bed, and that the hot-blooded Italian likes a "curvy woman".

Kelly said: "My boyfriend is 35 and is Italian, so, you know, he likes a nice large curvy woman so that's always a good thing!

"I think your sex life gets better as you get older! You get more confident! You are not so hung up on stuff. You know what you enjoy. You know what you like, so you are not as scared to tell them.

"When you're young you don't tell them. They are like "is that nice?" and you're like 'yeah!' When you're older you make sure you get what you want!"

Alyssa defends 'blackface' vid

BALLSY Alyssa Milano is fighting back against virtue-signallers' claims she wore blackface in a 2013 parody video.

Defending herself on Twitter, the 47-year-old actress explained the vid was from a 'Funny or Die' skit she appeared in, parodying Nicole 'Snooki' Polizzi from *Jersey Shore*.

She tweeted: "Hey, assholes. The picture (*below*) is me parodying *Jersey Shore* and Snookie's tan.

"Snookie's tan – she is a sweetheart, by the way – is worthy of parodying as is Trump's tan.

"So go fk yourselves with your smear campaign."**

Alyssa also included a link to a one-minute clip, documenting her transformation into the reality star who, like the other *Jersey Shore* cast members, turned tanning into an art form.

In recent weeks, celebs have come under fire for wearing blackface, including Jimmy Fallon, Jimmy Kimmel and YouTube star Jenna Marbles, while shows like *30 Rock* and *The Golden Girls* have pulled episodes that feature it.

Alyssa is the first star to stand up to bullying by self-appointed race bigots – even though she's a leftie.

Jason scares people into wearing masks

NEW York City has turned to an unlikely ally in the fight against the coronavirus – horror icon Jason Voorhees.

The masked killer from the movie *Friday the 13th* is taking a machete to the city's epidemic with an advert on the importance of wearing masks.

The ad agency behind the unorthodox promo, wrote on Instagram that they wanted to convey the "life-saving message" to "invincible-feeling" young people by tapping into pop culture.

In the clip, the slasher villain known for slicing up campers at Camp Crystal Lake is seen nonchalantly strolling around NYC while pedestrians flee.

"It's not easy – the mask makes people uncomfortable," says an unseen narrator.

"But behind the mask, I'm a regular guy."

The ad concludes with the message: "Wearing a mask can be scary. Not wearing one can be deadly."

Nut shoots up pizza parlour over toppings

A MAN has been charged with TERRORISM after he shot up a pizza parlour – because he didn't get enough toppings!

An employee said Michael Brown (*above*), 45, became upset with her over the issue and was asked to leave, at which he went outside to his van.

Brown then walked back to the diner holding a gun. He was locked out, so he shot the glass out of the front door, then got in his car and drove away.

He later turned himself in and admitted in a police interview that he was upset over the portion size of the food he received.

He also admitted to going into his work van to grab the gun and shooting out the window.

Brown was arrested by police in Little Rock, Arkansas and charged with six terrorist acts.

No-one was injured.

Eight-inchers are orgasmic!

A BIG 'un beats a little 'un every time…up to a point.

Eight inches is the optimal penis size when it comes to making women orgasm, according to a new survey by dating site Big One.

But the same survey showed climax-inducing capabilities drop off dramatically in anything bigger than nine inches.

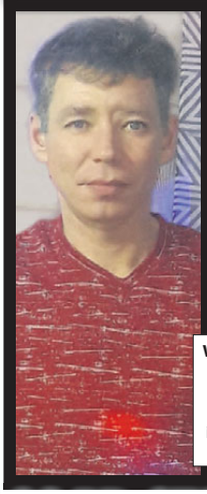
Or as Big One puts it: "Size does matter, but bigger is not always better."

To compare orgasm success rate with penis size, the self-proclaimed "large penis dating site" surveyed 4,761 women, asking how big their partner's cock was and if they achieved "orgasm via penetration."

They found eight-inch penises induced orgasms at a 44 per cent success rate, with 11-inchers scoring just 30 per cent.

EXTRA SPECIAL: Henderson has appeared in *Corrie* many times, but has a dark secret

He was covered in plop & stank to high heaven – but I knew I'd seen him on Corrie!



WITNESS: Ken saw star in top club covered in human waste

OUTRAGE: Berlin is famous for its wild clubs like popular Berghain

SOAP STAR SPOTTED IN VILE BERLIN SCAT DUNGEON

IT was the happiest day of Ken Ilsley's life…

By BRAD CHADWICK in Berlin

After waiting in a queue almost a mile long, he'd got into Berghain, Berlin's trendiest nightclub.

The vast club, in a former power station on the outskirts of the German capital, is famous for its outrageous nights.

Punters wait for hours to be admitted and even reaching the front of the queue is no guarantee of getting in.

So Ken, 46, was cock-a-hoop when the bouncers waved him through the door.

But in the dark cellars of Berghain a stinky secret awaits the unwary – for this is where the infamous 'Nutella' parties are held – which have NOTHING to do with the hazelnut chocolate spread.

Ken, of Biddulph, Staffs, but now resident in Berlin said: "I got a bit lost and ended up in the cellars. I heard this noise and found myself in a room where men were PLOPPING on each other.

"I thought, 'Oh my God! A genuine Berlin scat dungeon!' I thought they were an urban myth."

But there was an even bigger surprise for unmarried Ken.

He said: "Before I left – the smell was indescribable – I saw a face I recognised.

"He was on the floor, covered in plop but I recognised him straight away – he's a regular extra on *Coronation Street*!"

Today we can reveal that Ken had seen Probert Henderson.

Last year Henderson, who has regularly been seen on the ITV soap as an extra in scenes inside the Rovers Return, found himself in the shit when we revealed he'd paid a 30-stone hooker to defecate on him, but it seems the filth fan doesn't care.

Ken said: "That first time I saw him was before lockdown, Berghain is closed just now.

"But last week I went to an illegal nightclub in Berlin – and that had a scat dungeon too!

"And who should I see? That's right, the bloke off *Corrie* – once again covered in plop and stinking to high heaven."

Henderson's agent has not responded to requests for a comment.

SUNDAY Sport
THE VOICE OF YOUR BRITAIN

Drunkards are pride of England

LAST night England returned to doing what it does best – drinking too much, vomiting and falling into gutters.

After three long months of being shuttered, the country's pubs reopened to a national sigh of relief.

The devolved authorities of Scotland, Wales and Northern Ireland are making their own arrangements for reopening hostelries.

But for England, Saturday was Independence Day and that freedom was marked with the sort of joy-filled merrymaking, drink-sodden glee and random violence for which the country is so rightly proud.

It has been too long since we have seen a fat girl sobbing into a kebab while oblivious to the fact that she has soiled herself.

For too long we have been denied the simple pleasure of watching a yob emerge sniffing from the toilet to set upon the first unfortunate to catch his madly-staring eyes.

How we have missed wading ankle-deep through sick, blood and broken glass on a Sunday morning!

We may no longer be an imperial power.

Our great factories may have been torn down to be replaced with "call-centres" staffed by perfumed prancers called Toby and Josh.

Our entire economy may very well be propped up by the shady machinations of dubious finance and foreign criminals.

But our nation still rides high when it comes to being rampaging drunkards!

Runaway trans

THE more extreme warriors of the culture wars have to be a cause for national concern.

Today, Sunday Sport reports that one unfortunate cross-dresser has taken exception to TRANS-Pennine Trains.

Who are these people? Where are they from?

And why must they inflict their unhappy obsessions on the rest of us?

THE CITY'S NOT JUST FAMOUS FOOTB

HELEN PEARSON

HELEN was born on November 16, 1959, in Leicester.

She has been in three major soap operas – *EastEnders* (in 1990 as April McIntosh), *Emmerdale* (from 2000 to 2001 as Carol Wareing), and as Frankie Osborne in *Hollyoaks* (from 2002 until 2017).

According to the respected website *Mr Skin*, she gave us a flash in the 2013 movie *Cols* – also known as *Leopard*.

LORI BUCKBY

LUSCIOUS Lori was born on May 16, 1985, in Leicester.

The 34C cracker is a regular in *Sunday Sport*.

JOSETTE SIMON

LEICESTER babe Josette Simon appeared topless in the 1991 TV movie *A Child From the South* – which also starred Pete Postlethwaite.

Pete was not from Leicester – he was from the equally glamorous Warrington.

ALEXA GRACE

SUNDAY Sport fave Alexa Grace, 27, is another famous Leicester resident.

The 30F cracker says she was inspired to become a model by glamour icon Lana Cox – who is also from Leicester!

ALL, CRISPS AND STAYING IN LOCKDOWN, FOLKS...

LEICESTER TITTY

LAST week Leicester became the first area in Britain to be subject to local lockdown measures.

While the rest of England celebrated pubs reopening, poor Leicester sank back into the dark night of restrictions.

All non-essential shops closed after 800-plus cases were recorded in the West Midlands city since mid-June.

And the area accounted for around 10 percent of all positive tests in the UK last week.

Schools closed on Thursday and will not reopen until next term, amid fears that an unusually high incidence in children is driving the spread.

By SIMON DEAN
simon@sundaysport.co.uk

Leicester folk are advised to avoid all but essential travel to, from, and within Leicester and should "stay at home as much as you can", but there is no formal travel ban at this stage.

Doom

But don't think for a moment that Leicester is all doom and gloom – because the city can still be proud to have supplied the world with some top BLART!

And we have them all with their bare boobs out...

KATE O'MARA

THE late, great Kate O'Mara was born in Leicester exactly a week after the Second World War began.

And in 1976 she went topless in the film *Whose Child Am I?*

She sadly died in 2014.

PARMINDER NAGRA

PARMINDER Kaur Nagra was born on October 5, 1975, in Leicester and is best known for playing Jess Bhamra in the 2002 film *Bend It Like Beckham*, and Dr. Neela Rasgotra in NBC medical drama *ER* from 2003 to 2009.

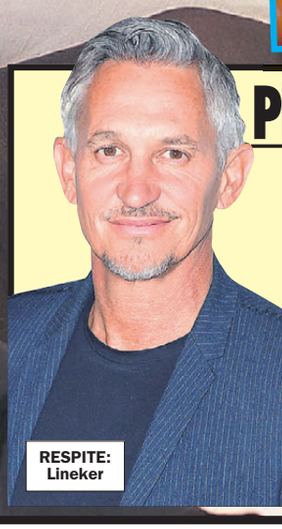
In 2003 we ALMOST got to see her full teat during a steamy romp in the film *Second Generation* – a modern reworking of Shakespeare's *King Lear*.

TESSA FOWLER

ALL the textbooks tell you that Tessa Fowler was born in Columbia, South Carolina, and made her first appearance in *Playboy* back in November 2011, representing the University of South Carolina.

They insist the 28-year-old babe, who boasts 30Js, is an all-American girl, and famously so.

But the *Sunday Sport* library insists she's actually from Leicester... so who are we to argue?



RESPITE: Lineker

Please tell me Gary Lineker still lives in Leicester

SOCIAL media scamps waded onto Twitter in their droves last week, declaring their hope that Leicester's latest lockdown would give the country a respite – from GARY LINEKER!

The 59-year-old *Match of the Day* host is active online where he is never shy to parade his right-on credentials.

So many hoped the reintroduction of lockdown in his West Midlands home city would mean a temporary end to his constant tweeting and frequent appearances on telly.

One Twitter user called user@gorbalsgoebbels asked: "Does Gary Lineker still live in Leicester? Looking for some benefits of local lockdown."

Razor

And another named unkind @MoodySlayerUK wrote: "It's Leicester, no-one cares. Surround the place with a big wall and razor wire. Also, throw Gary Lineker back in there."

Meanwhile Richard Scott wrote: "Does Gary Lineker still live in Leicester? There could at least be one silver haired lining to this particular cloud..."

Elsewhere @ChuckleRed commented: "As long as Lineker has been confined to Leicester."

Finally, @simonryan80 posted: "If Leicester is gonna be lockdown-ed I hope that means Gary Lineker is quarantined, both physically and verbally."

Floyd protests soldiers issued with bayonets

SOLDIERS sent in to quell civil unrest in Washington DC last month were issued BAYONETS.

They were mobilised to respond to massive protests over the police killing of George Floyd and police brutality.

But they were never actually sent to confront the protesters after they arrived, with Attorney General William Barr saying that they'd have only been used only as a "last resort".

The soldiers were told to keep the bayonets in their scabbards and not attached to their service rifles, Joint Chiefs of Staff Chairman General Mark A. Milley said.

Some 700 members of the 82nd Airborne Division were sent to two military bases near the area.

The soldiers were armed with live rounds, bayonets, and riot gear.

The paratroopers were sent back to their Fort Bragg base two days after they arrived.

Nude sewer man pulled from shit

A NAKED man who took a dip into a city's sewer system has been found, after 24 hours in the shit.

A passer-by heard him yelling for help under a manhole by the Wells Fargo building in Duluth, Minnesota.

As *Weekend Sport* reported on Friday, multiple agencies had searched for the man after his clothes were found by a manhole at Duluth bus station, and a witness saw him go underground.

A spokesman for the authorities said: "We were able to get him out of the sewer system and then we were able to get that person to a local hospital."

The man is currently under observation and being treated for extreme hypothermia.

Cat rabies terror as moggies bite back

FIRST it was the bats – now it's the cats…

The animal kingdom has launched another assault on humanity with a rabies-like illness causing moggies to turn on their owners.

Public officials have called for owners to quarantine cats showing suspect symptoms after a housecat in the Italian town of Arezzo contracted a rare virus and bit its owners.

Arezzo's Mayor, Alessandro Ghinelli, said a new bylaw calls for cat owners and carers of feral feline colonies to immediately report any symptoms that could point to the so-called "lyssavirus".

The virus, related to rabies, has only been identified once before, in 2002, in a bat in the Caucasus region.

It is unknown how the female two-year-old cat in the Tuscan municipality contracted the virus.

Last month, the cat's owners reported their pet had suddenly become aggressive and bit three members of the family. Concerned, they took her to a vet, who she also attacked.

Health authorities are now checking if a colony of bats living in a tree near the family's home may have been the source of the virus.

MEL & BECKY ARE PAIRFECT

YOU'VE just come home from a really shitty day at work.

You've only been back in the office for a week after lockdown and already the boss has been a complete c**t to you.

Every time the phone rang, it brought another problem and then it pissed down rain all the way home – whatever happened to the heatwave?

NATIONAL TREASURE: Dame Judi was target of one sick Australian

Medium giraffe, Sydney, Australia, 6 hours ago

Anyone thats chowed down on Judy dench will no what out of date is

RELATIONS between Britain and Australia were at breaking point last night after a vile Sydney man made a joke about LICKING OUT Dame Judi Dench.

UK MPs immediately called for the Australian High Commissioner to be given a carpeting after the disgusting slur against our most treasured actress emerged online.

By SIMON DEAN
simon@sundaysport.co.uk

The row began when a beauty blogger from Perth, Western Australia, shared that she'd eaten some Vegemite – a popular Aussie spread – with a best before date of 1999.

Lauren Curtis, 27, wrote: "I had stayed overnight at my friend's grandma's house in 2012. I had Vegemite toast for breakfast.

Outrage

"In my head I was like 'this tastes different' but then, because I didn't want to be rude, I quietly turned the jar around and saw the date and said 'oh, I think this is off'."

But while that started a debate on best before dates for NORMAL people, a sick Sydney netizen calling himself Medium Giraffe leered: "Anyone thats chowed down on Judy dench will know what out of date is".

MPs were quick to rally to the defence of *Shakespeare in Love* Oscar winner Dame Judi, 85.

One MP, who was too furious to give his name, spluttered: "Why are there no bombers in the air over this outrage?"

Disney should pay Injun compo

DISNEY has been criticised for its representations of Native Americans on screen and is facing calls to pay COMPO to tribes.

Amid the Black Lives Matter kerfuffle, the entertainment giant's depiction of minority groups is coming under fresh scrutiny.

The studio's *Peter Pan*, the 1953 animated film, has long attracted controversy for its portrayal of Native Americans, as we must now call Red Indians.

And *Pocahontas*, the 1995 based on the life of the Native American woman, has been accused by some of whitewashing a brutal past.

Shannon O'Loughlin, boss of the Washington DC-based Association on American Indian Affairs is calling for Disney to hand over some of the profits it has made from films involving Native American characters.

IT'S BEEN MONTHS SINCE THE SHELVES WERE STRIPPED AS BRITS SNAPPED UP LOCKDOWN SUPPLIES – NOW SUNDAY Sport CONSUMER CHAMPION ROD COLLINS COMES TO YOUR RESCUE...

What is the best panic-bought food to have sex with?

PUT TO THE TEST: Rod

OK, hands up – who succumbed to fear and went out panic-buying ahead of lockdown?

I know I did.

With the prospect of months cooped up while the miasma of the Chinese Death Plague swirled outside, we all worried about keeping ourselves fed and our bums wiped.

Stripped

Supermarket shelves were stripped bare and each morning saw queues of desperate folk ready to grab whatever was on offer to stock up their bunkers.

By ROD COLLINS
Consumer Champion

As it was, the nation did not come close to starving.

Supermarket staff put in a superhuman effort and after a few weeks of restrictions on the amount of stuff we could buy, things returned to normal.

Of course that meant we were all left with mountains of tinned grub at home – enough to last us through a nuclear winter.

But none of us wants to live on baked beans and the like until Christmas, so what can we do with all this stuff?

Simple.

Have SEX with it!

Naturally, having sex with anything tinned involves a certain amount of laceration risk. For safety, I emptied all the contents into an old hiking sock for this test, but you could use a Tupperware vessel, a teacup or beaker.

Anyway, here's what I found...

STOCKING UP: Brits

TIN OF SPAM

THIS chopped pork treat won the war for Britain and is still a favourite on sandwiches or fried as fritters.

It seems almost sacrilegious to fornicate with such an icon, but if you get over your qualms, it's well worth it.

The firmness of the meat combined with its not-too-wetness makes it not unlike having sex with a woman on the cusp of menopause.

A delight: 4/5

TIN OF CORNED BEEF

ANOTHER wartime hit but pretty much the Marmite of tinned meats.

But while some swear by a corned beef butty, I cannot imagine anyone enjoying congress with this meat.

Far, far too dry and with jelly that besmears the pubis.

At the end, you are left with a crumbly mess that fills you with an uneasy shame akin to that felt after accidentally glimpsing an old lady's panties as she falls in the street: 2/5

TINNED HAGGIS

NO, no, no!

Robert Burns may have declared this north-of-the-border treat "the great chieftain o' the pudding-race" but the haggis is no great shakes in bed.

The oatmeal content of the haggis makes it unpleasantly abrasive and the spiciness of the meat irritates the glans.

Best we leave these intriguing creatures free to scamper across the Highland glens: 1/5

TINNED JAM SPONGE PUDDING

NOW we are talking!

The warm, giving suppleness along with a hint of stickiness makes this like having sex with a newly-arrived street whore in Barnsley.

A word of warning though – served straight from the boiling water in which the can is heated, sponge pudding is FAR too hot for sex. A wait of 34 mins in a normally-heated room is required.

But beware summer wasps, attracted by the syrupy sauce: 4/5

LARGE TINNED STEAK PUDDING

YOU would have thought that the slight resistance of the suet pastry combined with the meaty give of its interior would make this like coupling with a shy 18-year-old virgin in Marbella.

Alas, no.

The pastry, that makes the steak pudding the real king of gravy-based delicacies, mashes into a sticky mass that clings to the shaft.

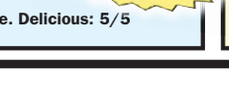
Unpleasant: 2/5

TIN OF MEATBALLS

THIS is all that the steak pudding should have been – but without the problem of the pastry.

The meatballs are firm, with a certain roughness that deliciously stimulates the glans while the thick, warm sauce is a delight on the shaft.

And the saltiness of the meatballs means that the contents can easily be consumed post-ejaculation with no discernible spoiling of taste. Delicious: 5/5



TINNED PEACHES

CERTAIN civilisations of the East hold the humble peach in high esteem when it comes to sexy intercourse – hence our saying: "It's peachy".

But there is such a thing as too much lubrication.

Sex with tinned peaches is rather like sex with a handbag full of eels, or being the last in the queue at an Albanian gang-bang – and, believe me, that is not a place you want to be: 2/5

TIN OF RAVIOLI

THE Italian dictator Mussolini, when he was a struggling Rome journalist, wrote a 2,000-word essay on sex with ravioli back in 1912.

When he came to power, all copies of the article were collected and pulped.

There's a reason for this – sex with ravioli is abhorrent, totally unhygienic and leaves minced beef in the chap's eye. Avoid. And remember, Mussolini ended up hanged from a lamp post: 1/5

Dogging site enjoys more action during coronavirus

OUTDOOR nookie has increased at a notorious dogging hotspot during lockdown, locals claim.

Activity at the Barrow Wake Viewpoint, near Birdlip, Glocs, prompted fears it could further spread COVID-19 and has led to complaints of antisocial behaviour.

The beauty spot has long been associated with dogging – the practice of watching or engaging in exhibitionist sexual acts in public.

The Birdlip dogging area is even mentioned on the village's own Wikipedia page.

Residents now say the problem has got much worse during the lockdown.

One man said: "I will not walk in those top woods any more. I absolutely will not. I find it quite offensive."

The police are aware of the issues and have said indecency is an offence which can result in arrests being made.

Inspector Simon Ellson, of the Cotswolds neighbourhood policing team, added: "There is sexual activity which is taking place but there are also other issues in terms of littering, loud music and general antisocial behaviour so there's a combination of factors."

Air Force axe 'Nazi' emblem

FINLAND'S Air Force has dropped its logo – used since 1917 – as it shows a SWASTIKA!

The Air Force Command unit has swapped out its old logo (*above*), a golden swastika placed in the middle of a set of wings, with a more generalized insignia featuring a golden eagle on a blue badge, a spokesperson confirmed.

They said: "As unit emblems are worn on uniform, it was considered impractical and unnecessary to continue using the old unit emblem, which had caused misunderstandings from time to time."

The change was spotted by Finnish professor Teivo Teivainen of the University of Helsinki.

The Air Force had been gradually phasing out swastika emblems for the eagle design over the last few years, he said.

Finland's Air Force had made use of swastikas on uniforms, planes and in other capacities dating back shortly after its independence in 1917.

3-PAGE SPECIAL

LOCKDOWN, eh? How was it for you?

Bit by bit, the world is edging out of its – in Europe at least – first wave of the deadly Chinese Death Plague, as it appears to be receding.

For many, it's been three months of enforced idleness paid for by the parish.

That means there's been a TON of home-drinking and an awful lot of EATING.

Calories

And for many Brits, with no gainful employment to work off those extra calories, one or two of us have piled on a couple of pounds.

But let's be honest, some ladies look even better with a bit of meat on their bones and – happily for us – they're not ashamed to show it off!

So today, enjoy three plump pages of ladies who are maybe a bit heavier than they were back in March and are showing us there's a lot more of them to love…

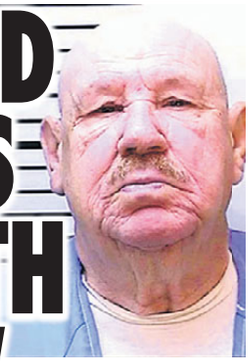
COVID KILLS DEATH ROW MONSTER



MURDERER: Stitely

A DEATH Row lag has avoided execution – by dropping dead of COVID-19.

Richard Stitely died of the Chinese Death Plague at San Quentin State Prison, California, which is in the midst of a major coronavirus outbreak – infecting more than a THIRD of its inmate population.

Stitely, 71, had spent nearly 30 years on Death Row for raping and murdering a woman.

He was tested for the virus after his death and the Marin Co Coroner's Office confirmed the positive results.

The official cause of Stitely's death is still being determined, the coroner's office said.

Figures show that 1,347 of San Quentin's roughly 3,700 prisoners had tested positive for COVID-19.

The majority of the prison's cases, 1,079, occurred in just the last two weeks.

San Quentin is home to half of all inmate virus patients in the state prison system, the state data shows.

Staff at the jail have not been spared either, with 114 of them testing positive for the virus.

Stitely was on Death Row since September 1992 for raping and killing Carol Unger, 47, then dumping her body at a North Hollywood industrial complex.

73K WAITING FOR A WEDDING

MORE than 73,000 weddings and civil partnerships in England have been postponed as a result of the coronavirus pandemic, according to new estimates.

Couples in England will be able to tie the knot for the first time in more than three months this weekend, but the Office for National Statistics suggests that around 73,600 ceremonies have been postponed since the lockdown began in March.

Quarantine hotel romps lead to 2nd COVID wave

RANDY security guards had sex with isolated guests at quarantine hotels, causing a second outbreak, it has been claimed.

The Australian state of Victoria recorded 77 new cases of COVID-19 last week – 31 of which were traced to an unknown source.

This is the highest number of community transmitted cases in Victoria since the pandemic began.

Victoria Premier Daniel Andrews has launched an inquiry into his state's quarantine hotels after a large number of cases were linked to them, and claims guards were helping spread the plague.

Andrews admitted there were a "handful" of breaches among staff at the hotels, which he says may have led to the outbreaks.

He said: "To say I'm disappointed about what's happened would be an understatement."

Last week 310,000 residents in high-risk suburbs were forced back into lockdown, only allowed to leave for essential shopping, work, study, caregiving and exercise.

The government urged all Victoria residents to get tested, regardless of having symptoms.

Council money boss axed over nude gardening

A COUNCIL'S finance boss has been suspended after a neighbour snapped a photo of him gardening in the NUDE and called police to complain.

Bruce Weber (*above*) has been suspended pending the outcome of a police investigation.

ShaVonne Moon posted a pic on Facebook of her naked neighbour – bent over and pulling weeds in his back garden.

She complained on her social media post that she's "sick of it," and had to keep her young sons away from their windows and backyard to avoid seeing the naked man.

Although Moon did not name the neighbour, she did say he was a senior council official in Harrisburg, Pennsylvania.

Locals soon worked out it was Weber.

UN WORKERS SUSPENDED OVER CAR SEX ROMP

SNAPPED: Couple appear to be on the job in UN vehicle

TWO United Nations workers have been suspended after a video of people having sex in an official vehicle in sparked outcry.

In the 18-second video, which was posted on Twitter, a man in the back seat of a white car in Tel Aviv, Israel, marked with the UN letters is seen being straddled by a woman in a red dress.

The man is wearing a T-shirt and shorts and another male passenger in the front of the car appears to be asleep.

The vehicle is then driven further down the road.

Now the United Nations has placed the two male workers on unpaid leave over allegations of sexual misconduct.

The UN also confirmed the two men in the car are workers from the United Nations Truce Supervision Organization (UNTSO), a peacekeeping force based in Jerusalem.

Stephane Dujarric, spokesperson for UN Secretary General Antonio Guterres, said their suspension was appropriate "given the seriousness of the allegations of failing to observe the standards of conduct expected of international civil servants".

Mr Dujarric added: "UNTSO has re-engaged in a robust awareness-raising campaign to remind its personnel of their obligations to the UN Code of Conduct.

When the video first emerged he said: "We are shocked and deeply disturbed by what is on the video.

"The behaviour seen in it is abhorrent and goes against everything that we stand for and having been working to achieve in terms of fighting misconduct by UN staff."

Although the UN has very strict regulations governing sexual misconduct by its workers as it has repeatedly come under fire for breaches in recent years.

Home alone mum blogger loves midday fingerblasts

A TOP blogger who writes about "mummy issues" has shocked fans by writing about her regular afternoon FINGERING sessions.

So-called "Mummy blogger" Constance Hall (*above*) shared an X-rated insight into her sex life, confessing she likes nothing more than a "midday masturbation" to Brit actor Tom Hardy when nobody's home.

The influencer, who has around 1.3 million followers on Facebook, posted: "Who has the energy or time for sex these days?

"For the first time in my life it's me who wants it more than my husband.

"If I always initiate sex then I feel desired, and that won't turn me on, so we're not having a lot of sex right now.

"Which is totally fine. I have Tom Hardy – today I was alone for an hour and I thought, 'Now would be a great time to make a withdrawal at the Wank Bank...' one of life's luxuries is a little midday masti when nobody's home."

Gun nuts ready to join police!

A HARD-talking sheriff said he's ready to make every gun owner in his county a part-time cop, if violent protests erupt.

Sheriff Darryl Daniels said he was ready to enlist the help of civilians if there are any demos which his deputies can't handle alone.

Daniels said: "If we can't handle you, I'll exercise the power and authority as the sheriff and I'll make special deputies of every lawful gun owner in the county.

"I'll deputise them to this one purpose – to stand in the gap between lawlessness and civility."

Daniels, the sheriff of Clay Co, Florida, added: "The second you step out from under the protection of the Constitution, we'll be waiting on you and give you everything you want: all the publicity, pain, glamour and glory that five minutes will give you."

CHOO-CHOO TRAN GETS STEAMED UP OVER TRANS-PENNINE TRAINS

RAILING AGAINST RAILWAY: Gwen wants firm's name changed

Cross-dresser claims service is 'stealing our culture'

A TRANS-RIGHTS extremist has launched a campaign against a popular rail service, accusing it if "stealing trans identity".

Angry Gwendoline Collins claims that TransPennine Express – which ferries passengers from Liverpool to York and Scarborough across England's central hills – has "no right" to use the word "Trans" in its name.

Blatant

Gwendoline – who was called Barnaby before transitioning – said: "This is a clear case of cultural appropriation.

"In pursuit of profit, this company has attached the world 'Trans' to its name and that is blatant theft of trans culture and trans identity.

"It's like a white bus company calling itself Rasta Coaches or a straight taxi driver running a firm called Bummer Cabs.

"It's just not on and this will not stand."

Gwendoline has set up a petition online which has already rallied 14 signatures.

She has also written an article for *The Guardian* newspaper and fully expects the relentlessly left-wing, not-loss-making-last-year rag to publish it this week.

Gwendoline harrumphed: "I am urging trans people and allies to boycott this service and not to use TransPennine's trains until the company changes its name, publicly apologises and makes a substantial donation to my charity, The Gwendoline Collins Trans Trust.

"With the money, the trust hopes to buy a caravan at Talacre to use as a campaigning base."

By BARNEY SAMUELS
news@sundaysport.co.uk

This is not the first time that Gwendoline has been caught up in controversy.

In 2011, while she was still called Barnaby and was just a low-profile cross-dresser rather than a full-on trans, she appeared in court on an indecency charge.

She had been arrested in a state of inebriation at a train station after offering to suck off a rugby team in return for lager – an escapade that gained her the nickname "Choo-Choo Tran".

RACE ROW STARKEY SACKED BY SUNDAY Sport

By ROY DURRIDGE
news@sundaysport.co.uk

HISTORIAN David Starkey has been stripped of his honorary *Sunday Sport* fellowship after his "so many damn blacks" comments.

Starkey made the remarks during an online interview with Conservative commentator and Brexit campaigner Darren Grimes for the YouTube channel Reasoned UK.

During the interview, Starkey said: "Slavery was not genocide otherwise there wouldn't be so many damn blacks in Africa or in Britain, would there?"

The 75-year-old's remarks caused outrage and a meeting of *Sunday Sport*'s Ethics and Social Responsibility Committee decided that his fellowship would have to be revoked.

The fellowship, which entitled Starkey to free admission to the *Sunday Sport* Christmas Ball For The Orphans and the annual Garden Party, was conferred on the brainbox last July.

Although the constitutional historian never formally accepted the honour, this newspaper has nevertheless decided to sever ties with Starkey.

DAMNED: Dr David Starkey's comments have been slammed

A spokesman for *Sunday Sport* said: "This newspaper is 100% committed to freedom of speech but Dr David Starkey's comments about 'so many damn blacks' were beyond the pale.

"This is 2020 and you cannot say 'so many damn blacks'. It sounds dead racialist and that."

Sunday Sport is not the only institution to distance itself from Starkey.

Fitzwilliam College, Cambridge, said it contacted the academic and broadcaster following his controversial comments and accepted the resignation of his honorary fellowship "with immediate effect", stressing it will "not tolerate racism".

He has also been stripped of his visiting professor post at Canterbury Christ Church University.

And publisher, Harper Collins, tweeted: "The views expressed by David Starkey in his recent interview are abhorrent and we unreservedly condemn them.

"Our last book with the author was in 2010, and we will not be publishing further books with him.

"We are reviewing his existing backlist in light of his comments and views."

Starkey has also resigned from the board of the Mary Rose Trust, which oversees the Tudor Mary Rose ship.

Music teacher handed pupils spunky flutes

A NONCE music teacher accused of giving pupils woodwind instruments with his SPUNK inside has agreed to plead guilty.

John Zeretzke, 61 (*above*), will make the plea in relation to one federal count of production of illegal porn and several state charges of lewd acts with a minor under 14.

Zeretzke, from Ventura Co, California, is the founder of Flutes Across the World – a nonprofit organisation that teaches students how to make their own flutes.

In November 2015, he sent a 15-year-old girl he met on Facebook more than 40 explicit photos of himself, and in August 2017 he went to the Philippines to have sex with a minor.

In March last year Zeretzke was indicted for giving flutes filled with his own semen to five girls in Orange Co and Los Angeles.

Priest: BLM are maggots & parasites!

A CATHOLIC priest has been suspended for comparing the Black Lives Matter movement and its organisers to "maggots and parasites" in a church bulletin.

Bishop Timothy Doherty took action against Rev Theodore Rothrock, from St. Elizabeth Seton Catholic Church in Carmel, Indiana (*above*), for comments the pastor wrote.

"The only lives that matter are their own and the only power they seek is their own," Rothrock wrote.

"They are wolves in wolves clothing, masked thieves and bandits, seeking only to devour the life of the poor and profit from the fear of others.

"They are maggots and parasites at best, feeding off the isolation of addiction and broken families, and offering to replace any current frustration and anxiety with more misery and greater resentment."

Rothrock has since issued an apology in a message sent to parishioners, which was also posted on the church's website.

Slave trade pub's suggested name branded 'racist'

A PUB previously named after slave trader Edward Colston was renamed 'Ye Olde Pubby Mcdrunkface' – and now the NEW name has upset people!

The Colston Arms in Bristol invited people to suggest a new name following the toppling of the statue by anti-racism demonstrators.

Landlord Paul Frost said: "I wanted to go simply with Pubby McPubface but my manager suggested Ye olde Pubby Mcdrunkface, which is much better."

The pub sign on the former Colston Arms shows the new name is "clearly temporary" and "suggestions are welcome".

But Constance Campbell of Glasgow raged: "This is clearly disgraceful stereotyping of Scots people by suggesting that anyone who has 'Mc' in their name is a drunk.

"It's racism – pure and simple."

If these leftie bastards want to get their hands on my statue's knockers, they'll have to come through me!

CLINT DEFIES BLM PROTESTERS

FONDLE MAMMORIES: Clint with water nymph

PROTESTS: Black Lives Matter mob take to the streets

VANDALISM: Statues of Colston (*left*) and Churchill

WHEN he was a stripling of just 14, Clint Watson had his first sexual experience – fondling the faux-marble busters of a water nymph statue in a local park.

And 30 years on, he still holds those stone-cold breasts in high affection.

So when Clint, of Walsall, West Mids, heard that Black Lives Matter Activists had made it their business to tear down statues, the burly warehouseman decided to make a stand.

He declared last night: "If these raging leftie bastards want to get their hands on my statue's knockers, they'll have to come through me!"

Equality

Unwed Clint also declared himself "horrified" at the vandalism being wrought up and down the country in the name of racial equality.

He stormed: "The trouble with these leftists is that they only know how to destroy, not how to create.

"Not one of them has had a proper job in their lives and none of them will achieve anything that will be spoken of by future generations either.

"That's why they pull down statutes."

Clint said he thought the pulling down of the Edward Colston statue in Bristol was a "pointless exercise" while the desecration of Winston Churchill's statue in London was "close to treason".

Grubby

But he added: "It would be different though, if they tried to get their grubby hands on my statue's busters – that would be personal and I'd give the yelping layabouts a ruddy thick ear, you mark my words!"

Clint's stand comes at a time when many in the public eye are distancing themselves from the UK wing of the Black Lives Matter campaign, which has been revealed as a Marxist front dedicated to the destruction of capitalism and the elimination of police forces.

AS PIERS MORGAN URGES SUSANNA REID TO GO TOPLESS, INTERNET EVILDOERS GET TO WORK

FOR FAKE'S SAKE!

By SUZIE SHELDON
news@sundaysport.co.uk

LOUDMOUTH Piers Morgan left his stunning co-host Susanna Reid red-faced when he suggested she should go topless on TV.

But while his words may have been in jest, they set off a chain of events that has seen *Good Morning Britain* presenter Susanna, 49, humiliated online.

Because, inspired by Piers's demands, cruel net evildoers created FAKE NAKED pics of her.

Piers was speaking about Kim Kardashian making millions of dollars when he said to Susanna: "If you go topless right now and flip the bird to the world you will make this show a hit – and get rich."

Bush

However, the web is now littered with digitally-created pics of Susanna, apparently with her boobs and bush out!

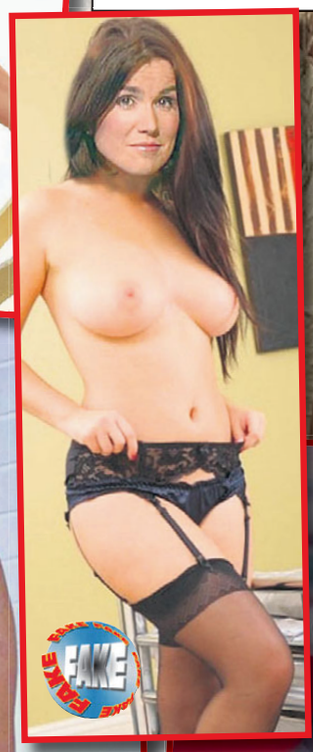
A source close to the ITV beauty said: "She wasn't happy with Piers when he said that.

"Talking about your co-host's busters is a no-no in TV circles.

"And now these internet monsters have created loads of fake nude pics of her.

"She's devastated – if she wanted the world to see what her knockers and minge look like, she would get them out for a tasteful photo shoot."

CO-HOSTS Piers and Susanna



HERE IS THE NUDES: Just one of the faked nuddy photographs

NOT REAL: Doctored shot of Susanna with former colleague Charlie Stayt

Doc denies sex attacks on patients

A DOCTOR accused of sexually assaulting sleeping patients told a jury a 16-year-old consented to receiving "alternative treatment" involving him placing his COCK in her hand.

Ali Khorami, 49 (*above*), has pleaded not guilty to 25 charges relating to five female complainants, aged 16-29, who went to the Woolcock Institute of Medical Research, in Sydney, Australia, for their various sleep problems in 2018.

The GP, who supervised overnight sleep studies, told his District Court trial he performed tantric healing on two of the patients involving his genitals.

During a 2018 police interview, Dr Khorami was presented with a screenshot from CCTV footage showing him placing his penis in a teen patient's hand.

He now claims she told him she was 17 and that the treatment was "not masturbation".

The trial continues.

Teens filmed tramp murder

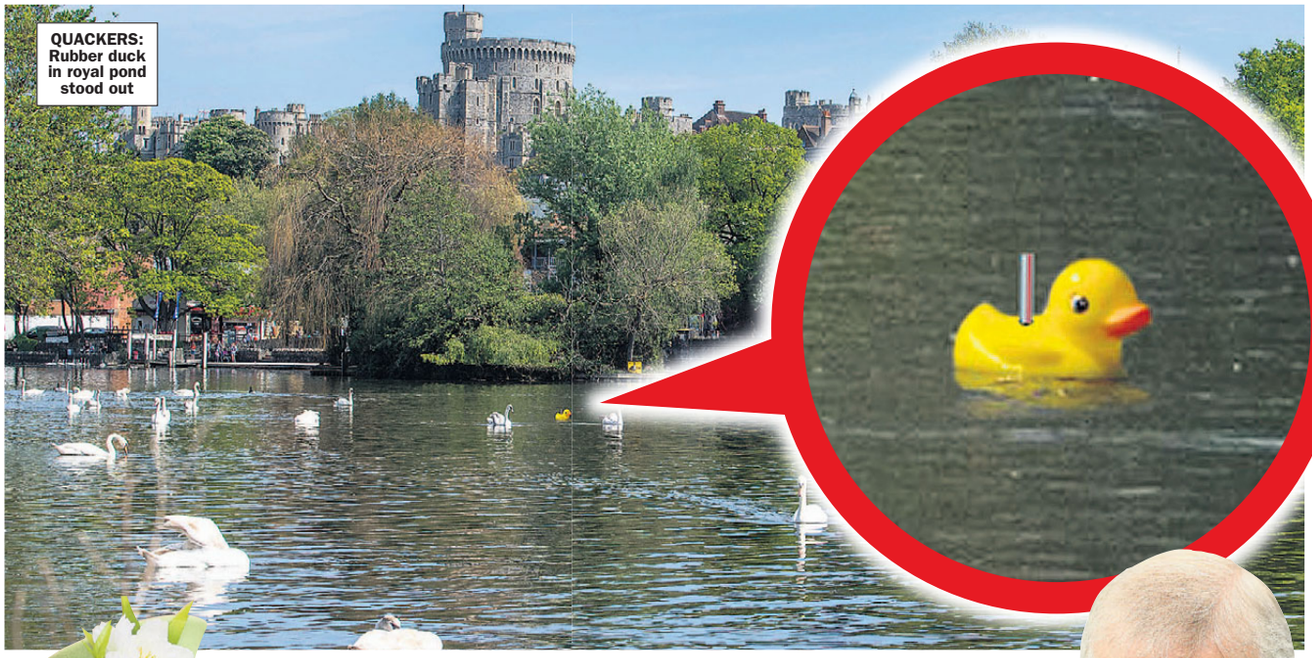
A PAIR of teens face a murder charge after they allegedly beat a homeless man to death and filmed his corpse in an alleyway.

A 15-year-old boy and a female, 17, are accused of beating Bobby J. Hill Jr. to death in Camden, New Jersey.

Hill, 63, was found unresponsive just after midnight on June 25 with "severe" head injuries, and died at a nearby hospital shortly after.

Cops tracked down the teenagers, whose names have not been released as they are juveniles, through surveillance footage that showed them walking into the alley with Hill, then leaving without him just a few minutes later.

The two teens allegedly filmed Hill's beaten body with one of their mobile phones after the attack, cops said.



QUACKERS: Rubber duck in royal pond stood out

WATER SHOCK: Queen will not be amused

WHAT THE DUCK?!!

Randy Andy 'hiding in Queen's pond' after Ghislaine Maxwell arrest

DENIAL: Prince says all claims against him are false

By BARNEY SAMUELS
news@sundaysport.co.uk

PRINCE Andrew hid in the Queen's DUCK POND with a rubber duck on his head and a drinking straw to breathe through after the arrest of his pal Ghislaine Maxwell, *Sunday Sport* can reveal.

The under-the-microscope Royal took to his heels when he heard that Maxwell had been nicked in the U.S., accused of procuring underage girls for her former lover Jeffrey Epstein.

Ms Maxwell, 58, daughter of the late Robert Maxwell, was accused of helping Epstein to "recruit, groom and ultimately abuse" at least three girls, including one as young as 14, between 1994 and 1997.

Snorkel

One of the girls was allegedly abused in London.

Epstein, a convicted sex offender, died aged 66 in a New York jail last August. His death was ruled to be "suicide".

It's said that Maxwell is "singing like a canary" to U.S. prosecutors and Prince Andrew – once known as Randy Andy – is thought to be terrified about what she may be saying.

A Royal source said: "The Prince slipped his protection officers and all hell broke loose at Windsor.

"They eventually found him in the duck pond using a straw as a snorkel. I think it was a trick he'd picked up in his Navy days.

"Bizarrely, he'd used a rubber duck on his head as part of the disguise, which game the game away.

"A rubber duck stood out like a sore thumb among all those posh swans and that."

Maxwell faces up to 35 years in jail if convicted. After being arrested at her secret lair in New Hampshire, she appeared in court by a video link and was remanded in custody for transfer to New York.

Audrey Strauss, Acting US Attorney for the southern district of New York, said that the investigation into Epstein and his associates was continuing and she urged the Duke of York to "come in to talk to us".

Virginia Roberts Giuffre has claimed that she was introduced to Epstein by Maxwell before being trafficked to London and forced to have sex with the Duke in Maxwell's Belgravia home.

Prince Andrew denied the claim and said that he has no recollection of meeting Ms Giuffre. Last year Scotland Yard said that it would not open a criminal investigation into the claims.

10 things you might not know about LEICESTER

THE West Midlands city of Leicester is in the news right now as it became the first place to go on a second coronavirus lockdown.

Here are some other notable facts about the place…

1 **LEICESTER is one of the oldest cities in England, with a history going back at least 2,000 years.**

2 WHEN the Romans moved in around AD 47, they called Leicester "Ratae Corieltauvorum".

3 **FOLLOWING the Norman conquest, Leicester was recorded by William the Conquerer's Domesday Book as "Ledecestre".**

4 IN the 11th century Leicester lost its city status and didn't get it back until 1919.

5 **AT the end of the War of the Roses, hunchback King Richard III was buried in Leicester's Greyfriars Church. The church was later destroyed and Richard's skeleton was found under a car park in 2012.**

6 THOMAS Cook's first package holiday, in 1841, took a group of temperance campaigners from Leicester Campbell Street railway station to a teetotal rally in Loughborough, just 11 miles away.

7 **IN 1936, the League of Nations identified Leicester as the second richest city in Europe.**

8 LEICESTER has a large immigrant population – the celebrations for the Hindu festival of Diwali are the largest outside India.

9 **THE Phoenix Theatre in Leicester was renamed the Sue Townsend Theatre after the *Adrian Mole* author – who was born in the city – died in 2014.**

10 OTHER famous people from Leicester include Henry Walker – founder of Walker's Crisps – and Gary Lineker (*above*) – who sells Walkers Crisps. John Merrick, the Elephant Man, was also from Leicester but was more of a Golden Wonder man.

We peep at babes putting on their war paint

By BARNEY SAMUELS

THERE'S something a little bit naughty and slightly Peeping Tom-my about seeing a delightful young lady at her personal business.

Why else would so many of us hide in the roof void of ladies' lavatories hoping for an illicit peep at a golden stream of ladytinkle..?

Oh, sorry, is that just me?

Twitch

But it's not just a peep at girls' private WC duties that often give men a little twitch.

Just watching them putting on their make-up or fix their hair can be thrilling – it's something we don't normally see.

Last week pop scorcher Rita Ora stripped down to her red lace lingerie before posing up a storm while dabbing a bit of the old slap.

And leaving almost nothing to the imagination, Rita's heaving breasticles were almost on full display as she applied the lippy.

So, if you're a fan of girls applying their lipstick, powder and paint, knock yourself out with these VERY sexy snaps…

RUFF JUSTICE: Riley's home before it was burned down, possibly by activists

DOG SEX MUM'S HOUSE GETS BURNED DOWN

Animal rights arsonists suspected

By BRAD CHADWICK
news@sundaysport.co.uk

A WOMAN'S house was burned down after she was allegedly filmed having a threesome with two Shih Tzu dogs.

Tiffany Riley, 40, witnessed her home being destroyed soon after police began probing allegations against her.

Riley, 40, was later charged with sexual conduct and cruelty to animals.

Police suspect Riley's home was torched by an angry animal rights activist, but it may turn out that the house burned down accidentally.

The investigation into Riley – a mother-of-two – began in February after a local news station contacted police over the dog sex video, which it said was being circulated on social media.

An animal charity also contacted the police asking for them to execute a search warrant to seize Riley's electronic devices and take the two Shih Tzu dogs involved into one of their shelters.

Questions

Investigators do not believe Riley was trying to sell the bestially videos online, but the animal charity's boss Mary Louk said it raised questions about what the suspect was up to.

She said: "We know the FBI's said multiple times that crimes against animals turn into crimes against people.

"It's that first step, so using that methodology, we're looking to get some charges pressed.

"Hopefully, we get some help."

Investigators have since scanned Riley's electronics to try and establish whether she may have filmed herself sexually abusing other animals.

Riley, of Youngstown, Ohio, has been freed on bail over the charges and is due back in court on July 20.

Yokels' UFO sightings up

THE U.S. state of Idaho has the highest number of UFO sightings per head in America, it's claimed.

Residents in the state reported 164 UFOs during the past year and a half, according to a study.

By sheer numbers, the title goes to Florida, which reported 567 sightings, but Idaho's relatively low population means it had 9.18 sightings per 100,000 people, according to *satelliteinternet.com*

Researchers for the website, carried out the study to see if satellite internet equipment was being mistaken for UFOs.

The state of Montana was a close second, with 9.17 sightings per capita, while New Hampshire, Maine and New Mexico — home to Roswell, renowned for an alleged alien craft crash in 1947 – rounded out the top five spots.

DEANO ON SUNDAY

Lefties want to destroy this country

YOU know what? Maybe the tide is beginning to turn…

Over the past few years, the insane carping of the radical Left has chirruped away like annoying piped music in a lift.

Those of us who happen to be white males over the age of 30 have been blamed for everything from the housing crisis to the refugee crisis to climate change to it f**king raining last Tuesday.

I think we hoped it'd go away but then came the Stormtroopers of the Left – the so-called "woke".

Nonsense

Here were nutjobs dedicated to not just fighting "injustice" but inventing injustices to fight.

So we had lunacy like our National Parks being "racist" because the ethnic mix of people visiting did not exactly match the ethnic mix of central London.

We had the nonsense of police cars being painted in rainbow colours while burglaries went uninvestigated.

And we had men in wigs calling themselves Doreen, or whatever, being sent to women's prisons…

We know how that turned out.

Anyone who stood up and said: "THIS IS BOLLOCKS!" was slandered as a racist/sexist/transphobe/homophobe/all of the above and (can we say this any more?) blacklisted.

I doubt actor Laurence Fox, for example, will be overwhelmed with job offers for a while.

Then came the Black Lives Matter campaign, which burst into life when a white cop murdered a black man 4,000 miles away.

Suddenly every soppy, white, middle-class college kid thinks he's f**king Malcolm X and trashes the symbols of Britain's history.

But then people started to realise the true nature of the BLM mob.

Evil

Anti-capitalist, anti-police, pro-anarchy. Oh, and totally anti those "evil Israelis", of course – and we have a good idea what they mean by that.

Bless them, it was Britain's football pundits who stood up and said: "Hold on…"

Matt Le Tissier said: "I just don't agree with some of the points of that movement – specifically, the defunding of the police and the anti-capitalist points are things I do not agree with.

"I'm quite happy for them to have their point of view, but that is mine and that's where I sit."

Fellow pundit Jamie Redknapp ditched his BLM badge.

It's not just football either.

Labour boss Keir Starmer after ludicrously "taking the knee" has distanced himself from BLM.

Up and down the country, ordinary people are speaking up.

They are SICK of being branded bigots, just because they don't swallow the latest leftist nonsense.

The radical Left want to sow division, split society and – let's be clear about this – DESTROY our country.

The sane and, until now, silent majority can't let them win.

SICK RUSSKIE MAKES 'TACHE FROM THE PUBES OF ROADKILL TRAMPS

PUBIC CARE: Andrei shows off his fine 'tache

SUNDAY Sport EXCLUSIVE

By BRAD CHADWICK in Moscow

EVER since he was a little boy, Andrei Parkov had dreamed of proudly sporting a moustache.

His father Dmitri – a fitter for the Soviet Air Force – had a hairy top lip that was the talk of Moscow's Akademichesky district.

But as young Andrei moved from boyhood to adolescence, his dream of a big, luxuriant, bushy 'tache remained tantalisingly out of reach.

Some downy fur he managed to sprout in his 18th year was blown away by a bitter Russian wind.

No hair was ever to sprout there again and despite festooning his flat with pictures of famous moustachioed men such as Magnum PI, Freddie Mercury and Josef Stalin, Andrei despaired of joining his idols.

Crafty

But the crafty metal recycler – now 47 – today sports a 'tache that is his pride and joy.

His secret?

Roadkill tramps.

Every day, more than four dozen sozzled hobos are mown down on Moscow's streets as they wander blindly into roaring traffic.

The messy cadavers are seldom cleaned up by city authorities and simply stepped over by busy Muscovites going about their humdrum activities.

Most end up feeding the city's stray dogs.

But Andrei has found a use for the unloved itinerants.

He told *Sunday Sport* last night: "It came to me in a flash. I could make a moustache wig from the dead tramps' pubic hair!

"I set about collecting what I needed using a pair of nail clippers.

"Some glue and – hey presto! as you say in the West."

Andrei insisted that he thoroughly washes and delouses the pubic hair before sticking it to his face.

He said: "After all, I am not some kind of animal!"

AFTER an unforgettable time at Reading Festival last year, gorgeous Imogen Ward could hardly wait for a return visit.

Then the coronavirus oozed out of a dead bat in China and the world changed forever.

SEX MISS SNARED BY SPUNK IN HER HAIR

A TEACHER was arrested after she allegedly SUCKED OFF a 15-year-old boy at a graduation party.

Leslie Bushart, 49, was attending the event, in honour of the victim's older sister, when she performed oral sex on the teen "so he wouldn't feel left out".

Drunk

Bushart told cops that she and the boy had walked away from the crowd.

"She attempted to smoke marijuana, but was so drunk that she couldn't get it lit," an arrest report alleges.

"At that point she began performing oral sex on the victim.

"She said to us, 'Yeah, I kinda do that when I get drunk'."

According to police, Bushart sucked on the lad's hard, throbbing cock until he ejaculated all over her face.

Bushart and the boy rejoined the party – but the teacher was caught out because she still had SPUNK in her hair.

The arrest report states: "Bushart told another person at that party that she had just performed oral sex on the teenage victim.

"That person then informed the mother of the victim.

"The mother went and confronted Bushart, who then quickly left the party."

Bushart allegedly reached out to the victim's mother on Facebook Messenger after the party and said that she had been drunk at the party.

But the parents were having none of it and informed police, and an official investigation was opened.

Bushart has since been placed on leave from the Lake Gibson Middle School near Lakeland, Florida.

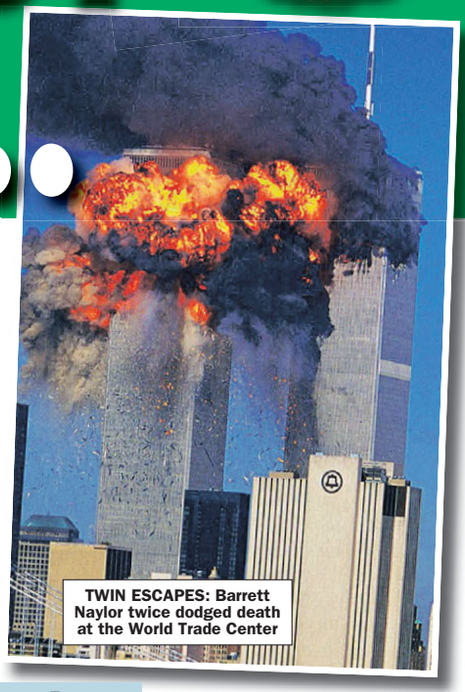
I'VE A BAD FEELING ABOUT THIS...

REAL LIFE X-FILES



TWIN ESCAPES: Barrett Naylor twice dodged death at the World Trade Center

WE'VE all experienced it – that nagging doubt in the back of your mind that says: "I've a bad feeling about this..."

Sometimes you can just sense when you're about to have a rotten day, or be braced for negative news, without knowing why.

But for some people these premonitions are so strong it forces them to take urgent and evasive action – action that will save their lives...

When a TransAsia Airways flight plunged into the muddy Keelung River in Taipei, Taiwan's capital city, in February 2015, 43 souls on board perished.

But 15 passengers cheated a date with the Grim Reaper – one of those was 50-year-old property broker Chen Ming-chung.

After being rescued from the wreckage, Chen described how he'd had a sudden impulse to switch seats from the left side of the aircraft and move to the row on the right.

He had no idea why he'd done it, but while the unfortunate man he swapped with died, Chen lived to embrace his wife Shih Chiu-mei.

She later said: "His life was saved because of that uneasy feeling he'd had. Some passengers were hit by debris, while the bodies of others were pierced by sharp metal. It was like a bloodbath in a movie."

It's a scenario that sounds far-fetched – until you read the hundreds of other examples of terrifying forewarnings.

One of the best documented cases of dire portents came in 1912, in the days before RMS Titanic sank after hitting an iceberg, leaving 1,514 to perish in the icy seas.

Visions

A number of those who met their maker in the disaster had been haunted by visions of their own end.

Like many others, the Titanic's Chief Mate, Henry Tingle Wilde, had even written about his own fears.

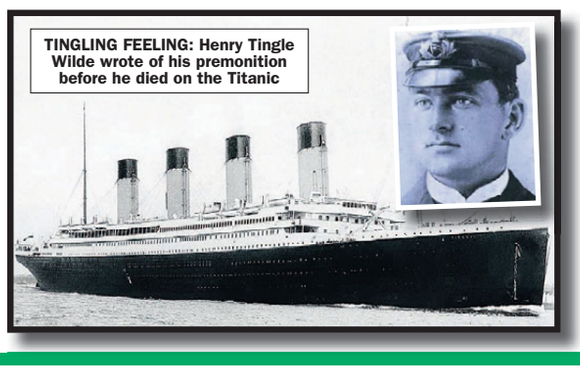
In a letter to his sister while on board, he told her: "I still don't like this ship. I have a queer feeling about it..."

He would not see her again.

Other premonitions about the Titanic were even more startling. English businessman J. Conon Middleton booked passage on the Titanic so that he could attend a business conference in New York.

No sooner had he paid his £15 fare – an enormous sum at the time, worth £1,750 in today's money – Middleton experienced nightmares on two consecutive evenings that rocked him to the core.

By Phenomenon Expert GILES FULLER



TINGLING FEELING: Henry Tingle Wilde wrote of his premonition before he died on the Titanic

In his vision, he floated above a horrific scene – a ship listing, the icy-cold sea littered with flotsam and bodies.

Middleton tried to dismiss the night terrors as a simple case of travel anxiety, but as the boarding date drew nearer his trepidation grew.

And in the end Middleton, frightened though ashamed about what his friends might think of him, refused to board the vessel – and thus was not among those who died.

More recently, the shocking terror attacks on the World Trade Center in New York on September 11, 2001, also brought reports of precognition.

Respected finance worker Barrett Naylor revealed how a "gut feeling" had told him to turn on his heels and head home rather than go to the office that day – an out-of-character decision that saved his life.

Feeling

Incredibly, he'd had the same feeling and refused to go to work on February 23, 1993 – the day of the first attack on the Twin Towers.

Meanwhile, it's thought South African model Reeva Steenkamp – who was shot dead by Paralympian Oscar Pistorius on Valentine's Day, 2013 – could well have also prophesised her own fate.

Her mum, June, told how at

PLANE HORROR: Crash survivor Chen Ming-chung had just swapped his seat... with a man who then perished

'His life was saved because he'd had a sudden impulse to switch seats...'

the age of 14, Reeva had turned a premonition of her own death into a vivid painting.

It shows Reeva as an angel standing at the bottom of a ladder leading to Heaven, and far off in the distance, she drew a man who has a gun in his hand.

Speaking on the C5 documentary *Why Did Oscar Pistorius Kill Our Daughter?* June, 69, said: "Reeva painted these pictures when she was 14. They've been in the house for a long time now, but we never really realised what they were about.

"Here is a man standing in a field, next to a tree, and he is holding a gun.

"And then on the other side is what could be Reeva wearing angel wings, and here is the ladder going up to Heaven.

"We never really understood the painting, but it almost seems like a premonition.

Premonition

"She's showing horror and she's afraid. She's terrified. Her hands are over her mouth, and she's terrified. If you look at it now it's clear as anything that this is a premonition."

Dr Larry Dossey, from Texas, has been studying the idea of premonitions for more than 30 years.

Dossey, a decorated surgeon in the Vietnam War, is convinced there's real, tangible evidence that humans are hard-wired for precognition.

He said: "Most people who do precognition research suggest that it is an inherent trait that serves a survival function.

"It is part of our genetic machinery that helps us stay alive.

"Clearly there are prodigies – people who are truly gifted in this.

"Back in biblical days they were called prophets."

CELEBS WHO HAD SECOND SIGHT

Jackass's Bam Margera

ON the night of June 20, 2011, Jackass prankster and skateboarder Bam, 40, was struck down by a sudden and inexplicable bout of depression.

He had no idea what was happening to him, but it was only hours later that he learned that his fit of anxiety had come at the exact same moment his best friend and fellow TV show star Ryan Dunn, 34, died in a car wreck.

A tearful Margera later admitted: "At 12.30, I just started punching out the windows of the rental van and ripping out the speakers, and I don't even know why.

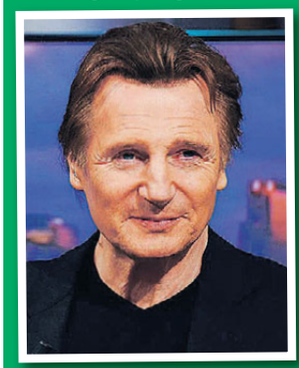
"I wasn't mad at anything or anybody. If it was 12.30 there in Arizona where Ryan died, that means it was exactly when he crashed."

Liam Neeson

TAKEN actor Liam is convinced a strange encounter with a bird foretold the death of his father, Bernard – a school caretaker from Ballymena, Northern Ireland.

During an interview for US show *Inside the Actors Studio*, Liam, 68, recalled: "I woke up one morning and there was this red-breasted bird sitting on the ledge looking into the room. This bird came in, it flew around about three times, landed on the window ledge again, looking out.

"As I got up to go over and close the window, it flew away. I went back to bed and I started thinking about my father.



"Like, really thinking about my father, because he kept canaries, and so forth.

"About an hour later I got a call he had died.

"There's a legend that if a bird comes into your house it's a sign of death or a birth.

"My sister Bernadette, she had a very similar experience with a pigeon that had broken a leg, and she started thinking about our father, too."

Greg Norman

LEGENDARY Australian golfer Greg was rushed to hospital in September 2014 having almost cut off his left hand in a bloody chainsaw accident.

Greg, now 65, said he foresaw the bizarre incident, revealing: "I had a premonition, to tell you the truth, as I was getting my chainsaw ready, that something bad was going to happen.

"I had this premonition and almost pulled out of it, but I thought it's not a big tree, not a real difficult task to do.

"We all have premonitions.

"That one was just unusually prophetic, I guess.

"I nearly didn't go down and chainsaw. I guess the moral of the story is to trust your internal mechanism."

LOADS OF BABES, TELLY AND CHAT

Gemma & Jamie's undies war!

By WENDY THOMAS news@sundaysport.co.uk

IT'S amazing what you find backstage at a glamour girl photo shoot.

When we peeked behind the door of one dressing room at a freshly-reopened studio, who did we find but Gemma Hiles and Jamie Leigh, getting VERY up close and personal!

Pretty Preston babe Gemma, 27, was squaring her 32E boobs up against the 32F delights of Ipswich lass Jamie, 24.

As they jokingly tugged away at each other's knickers and argued over who was going to wear what, our snappa forgot all about the studio outside and started clicking away.

Jamie said: "The best shoots are always the spontaneous ones, like this. They're definitely more of a laugh!"

My perfect Sunday...

Emma Jones, 34, 32D, from Chelsea

EMMA'S HOTEL ROMP WITH STAR!

ON my perfect Sunday morning, the first thing I do is make myself a latte, using the coffee machine I was given at Christmas.

Then, when I'm feeling wide awake, I put some croissants in the oven, make another pot of coffee and have a nice breakfast in the sunshine on the patio.

Naked

And because it's my perfect day, the sun will be shining all day, so I will spend the rest of the morning sunbathing in the garden – naked of course, as I want to get a nice tan!

At about 4 o'clock I'll have a cool shower and get myself ready, because I'll have a date with my fantasy man – *Spider-Man* actor Tom Holland.

He'll pick me up in a Rolls Royce before taking me to a really fancy restaurant where we'll flirt like mad until the sexual tension is driving us both wild.

Then he will take me to a luxury hotel and bang me all over the place in every position there is until I'm exhausted from orgasming so many times!

That would definitely be my perfect day...

LEGENDS OF PORN

PART 113 ANA FOXXX

ANA Foxxx was born in 1988, in Rialto, California and her dad was a church minister who also served in the US Air Force.

By PENNY MARSHALL
news@sundaysport.co.uk

A nerd at high school, she originally wanted to be a clown or ballerina and lost her virginity aged 17.

After being discovered in a grocery store, Ana worked as a catwalk model before porn, and the 34C beauty did her first hardcore shoot for the adult website Reality Kings.

Among the notable companies Ana has appeared in X-rated features for are Adam & Eve, Evil Angel, Jules Jordan Video, and Pure Play Media.

She was nominated for an AVN Award for Best New Starlet back in 2013.

Her notable movies include *Ana Foxxx Anal Destroyed Disco Dick Queen*, *Ana Foxxx's Butthole is Better Than Most*, *Ana Foxxx's Asshole Gaped Wide Open* and *Ana Foxxx is a Stunning Anal Whore.*

You get the gist…

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Manchester...

TAMARA HILL
AGE: 21
FROM: Manchester
JOB: Student
FAVE DRINK: Red Wine
FAVE FOOD: Pizza
FAVE FILM: *Interstellar*
FAVE ACTOR: Matthew McConaughey
FAVE HOLIDAY: Spain

MICHELLE DAY
AGE: 22
FROM: Manchester
JOB: Tele sales
FAVE DRINK: Vodka and coke
FAVE FOOD: Chinese
FAVE FILM: *X-Men: Days of Future Past*
FAVE ACTOR: Hugh Jackman
FAVE HOLIDAY: Ibiza

ONE-OFFS

TAMARA: One-night stands aren't my thing at all and I've never had one. I can't say I never will, but I like to know the relationship's going somewhere before hitting the sack.

MICHELLE: I've never had sex with a stranger. One time I ended up in bed with a guy I knew, but we didn't shag. It was more of a drunken fumble. I can't really remember, which doesn't say a lot for it!

FAVE POSITION

TAMARA: It sounds pretty boring, but I love being on top. It's the best position for me to have an orgasm and I love the control it gives me.

MICHELLE: I like that too, but if I had to choose a position it would be doggy. It feels a bit naughty being taken from behind, plus you don't have to worry about the guy seeing your flabby belly!

TAMARA: There are loads of ways of being naughty while on top. It's good to tie your man up or you can lean back and let him fondle your boobs.

TOYS

MICHELLE: So have you ever used handcuffs?

TAMARA: No, but I wouldn't rule it out. I've not really had much experience with sex toys. The closest I've come to them is a vibrator my mates bought me from a vending machine. It was meant as a joke for my birthday, but I gave it a go at home on my own. I was a bit disappointed to be honest.

MICHELLE: I know what you mean. I've got one too, and while it helps pass a lonely night, I much prefer my boyfriend.

BEST EVER

TAMARA: I once did it on the beach, that was amazing. Outside sex is great anyway as the risk of being caught is such a turn-on. But shagging on sand is supersexy – a bit of added friction!

MICHELLE: The most adventurous I've been is having a romp in a car. It was exciting but I'm quite tall so it was a bit of a squeeze. It was fun watching the windows steam up and getting hot and sweaty.

TAMARA: Was that your best shag?

MICHELLE: No. My best was quite recent when my boyfriend gave me a double orgasm. What more could a girl ask for?

ORAL PLEASURE

MICHELLE: Swallow every time. It's much sexier to take it all in rather than rush to the bathroom to spit it out, that's not really very polite is it?

TAMARA: I'd totally agree. It's not attractive to spit, and it doesn't taste that bad.

MICHELLE: Well, my boyfriend certainly appreciates it and I make sure he returns the favour by taking his time with me.

GIRL ACTION

TAMARA: I've never snogged another girl. I know blokes find it a huge turn-on, but it's just not for me.

MICHELLE: Lots of people I know tongue other girls just to pull a bloke, I don't get it. If I was going to snog someone it's because I'd find them attractive. I'm not into girls either.

TAMARA: I do find other women pretty, but not in a sexual way. I guess if I had to choose a sexy woman to kiss, it'd have to be Cameron Diaz.

MICHELLE: I reckon Jennifer Aniston would be my first choice, but I like Courtney Cox, too.

BUM FUN

TAMARA: I've never tried anal sex, but that's not to say I won't in the future. I've been asked to do it loads of times, but it's just never felt quite right.

MICHELLE: I've not tried it either, but I'd love to experiment. I don't think there are many things you should rule out in the bedroom. If you don't like it, you can stop. But with bum fun I'd only do it with someone I'm in a serious relationship with. Now that we've been talking about it, I think I'd quite like to try it!

TAMARA: I'd try it with someone special, too.

WILLY SIZE

MICHELLE: I think if you were going to try bum fun, then a smaller willy would be best. I don't know why so much fuss about big willies is made, I don't think size really matters.

TAMARA: Most of my boyfriends have been pretty average, and I've not really had much to complain about. Perhaps I've just been a lucky girl!

WORST TIME

MICHELLE: So when have you complained?

TAMARA: The worst sex I've ever had was with a guy who had a problem with premature ejaculation. At first I thought it was just initial excitement of being with someone new. But after eight weeks I realised it wasn't going to get any better. He was a lovely bloke and he'd make me feel really horny, but after two minutes it was all over for him, and I'd be left disappointed.

MICHELLE: I was disappointed with my first time. It was really uncomfortable and awkward. It probably wouldn't have been too bad if he had owned up to not having a clue. But he pretended he knew exactly what he was doing, and he didn't.

DRESSING UP

TAMARA: Last year I wore a cheerleader costume in bed for my boyfriend. It was the first time I've ever dressed up for him, and we both really enjoyed it.

It's quite a skimpy outfit and he couldn't keep his eyes – or hands – off me.

I loved having sex wearing the costume as it felt really horny. I was playing a flirty cheerleader and it definitely turned both of us on. I'd love to do it again!

MICHELLE: The first time I had sex dressed up was when I was wearing a Snow White costume for my friend's 21st last year.

My boyfriend was dressed as Scooby Doo and we jumped onto the back seat of my friend's car for a quickie because we were a bit merry and very horny.

It was really weird having sex with Scooby but I know my skimpy Snow White outfit turned my fella on!

FANTASY

TAMARA: I lived out my fantasy last year when I tied my man to the bed and smothered his body in chocolate.

Usually he takes control and I wanted to take the reigns for once. It was great fun and I loved biting and licking him.

MICHELLE: I masturbate to the idea of being in a threesome with my boyfriend and a hot girl!

> **'Usually he takes control but I wanted to take the reins for once... I loved biting and licking him'**

Meet Ava Austen –

the tattooed porn legend from TELEVISION X HD

I LOVE HOT INTIMATE PASSIONATE SEX!

By JAYNE FERGUSON
news@sundaysport.co.uk

BRITAIN'S biggest and best adult TV channel – Television X – is famous for its RED-HOT porn stars in UNCENSORED X-rated action.

And while we love to see big-boobed babes take yards of rock-hard COCK on the small screen, it's nice to know what makes our porn performers tick.

We caught up with tattooed porn megastar Ava Austen, 33, from south London, to chat about her wildest exploits in front of the camera…

HOW DID YOU GOT INTO PORN?

I met a gorgeous open-minded woman while swinging with my husband and she tempted me in to the business.

I shot my first scene with her, too. It was produced and directed by Liselle Bailey and shot by Trash Meister.

WHAT DO YOU LIKE MOST ABOUT BEING A PORN STAR?

I love the freedom it gives me to express myself like nothing else – and I love sex!

It turns out I like acting and performing, too. It's an art form, and I enjoy producing and starring in my own stuff, as well as working for the big UK companies like Television X.

WHAT TYPE OF PORN DO YOU LIKE TO WATCH?

I like pretty straight forward, hot, intimate and passionate sex between a guy and a girl.

I also love lesbian scenes with porn girls I've not worked with yet. Some of the American girls are amazing!

WHAT PORN STARS DO YOU LIKE TO WORK WITH?

I've made some great friends in the industry and it's always amazing when I get to work with them and make some magic!

Angel Long, Rebecca More, Alexxa Vice and Sophie Anderson are my favourite babes!

WHAT TYPE OF MEN ARE YOU ATTRACTED TO?

In a male work partner sense, I like guys who can make me feel at ease on set.

WHAT'S THE WILDEST THING YOU'VE DONE ON A PORN SHOOT?

A stand out filthy scene I did was for TVX. It was with Sophie Anderson and Marc Rose and shot by Angel Long for her series *Angel Long's Foot Addicts*.

It was a scene where Sophie and I put our feet to good use, shared lots of spit and gave Marc a good seeing-to!

IF you'd like to see some more of Ava getting up to some filthy fking then head over to *www.televisionx.com* or call 0871 075 6969 NOW!**

Long Lost Family: What Happened Next – ITV, 9pm

NEW series. Davina McCall and Nicky Campbell revisit a few more of the programme's most memorable searches, catching up with two people whose lives have been transformed. The second story has never been shown before and features twins who were separated as babies.

Distant planet's brought to life

Pluto: Back From The Dead – BBC2, 9pm

NEW discoveries from the edge of the solar system are transforming what is known about Pluto, thanks to the New Horizons space probe that took the first-ever close up images of the planet.

Pluto was once thought to be geologically dead, but the pictures revealed it to be an active world of stunning complexity, with mountains carved from ice, a nitrogen glacier that appeared to be moving and a recently-active volcano, with data sent back leading some scientists to speculate that there may even be life on Pluto today.

Love space shit, me.

Cold War – very cold, in fact – adventure based on Alistair MacLean's novel, starring Rock Hudson, Ernest Borgnine, Jim Brown, Tony Bill and Patrick McGoohan.

It's what Sunday afternoons were made for…

TUESDAY

Maybe Cliff Richard will sing? Oh f**k off!

The first episode tracks the early skirmishes of the three-day battle,as the Luftwaffe began an all-out assault to rid Britain of air power prior to a land invasion.

Those first skirmishes were being tracked by a 19-year-old WAAF member in a secret London bunker, and her secret diaries provide fresh insight into the strategies behind the aerial combat.

SUNDAY Sport SEXY BACK END!

SUNDAY Sport SUNDAY STUNNA

MERILYN: MY SEX ROMP IN OFFICE HOURS

MERILYN Sekova is the best thing to come out of the Ukraine since Chicken Kiev!

The 30H stunna hails from the city of Dnipro but got a job in the UK as she started out in modelling.

And she had a few adventures back then.

She said: "I used to work in a call centre and really fancied a male colleague. One night our team had all been out drinking and it became obvious we both liked each other.

"The next morning in work – we were probably both still a little tipsy – he sent me some filthy emails and I responded.

"Before long we were going at it in the stationery cupboard. It was very kinky – knowing that anyone could catch us!"

CHESTY Aimee Luis reckons her 32DDs are her best feature – as they help her get free stuff.

And the 27-year-old from Broxbourne in Herts, said whenever she wears a daring low cut top good things happen to her.

She said: "Obviously this is pre-lockdown, but I'd get free drinks in bars and clubs, free fruit when I walked through the market, additional dishes would be brought to the table in restaurants and sometimes even taxi drivers would let me off with the fare.

"There is definitely a difference when I cover my girls up!"

THE WORLD FAMOUS AGONY Page

Dear Dani,

I SHAGGED my bird and her best mate at the weekend and it was absolutely fantastic.

My girlfriend is a tasty sort, but her mate is gorgeous. She's a brunette, with a great body and lovely tits.

We'd all been to the pub and ended at my place. I suggested a game of strip poker and the game finished with them both sucking me off.

I then had my bird from behind while she licked out her mate, then they switched over. We ended up having sex all night.

The problem is that I now want to see my girl's friend for regular sex, but I'm supposed to be getting married next month.

What should I do?

JD, email

Dani says...
SEE if your girlfriend is up for some more threesome fun – but don't go behind her back.

Dear Dani,

I'VE got a problem with this sex text craze. Me and my girl are at it like rabbits, sending each other horny texts about 20 times a day.

She'll often text me to tell me she's just put her mobile down her knickers and can I ring her because she's got it on vibro.

Then after I've done that, she'll text me to say she's had the biggest orgasm.

As a treat we bought a pair of those new picture phones and she often sends me snaps of her fingers up her fanny.

She loves to receive pics of me wanking and at work the other day I got a bit overexcited and spunked all over the new phone.

Now all the buttons are f**ked. What can I do?

LD, Glasgow

Dani says...
ASK your girl to give it a suck.

DO YOU HAVE A SEX

PHWOAR! Well, I suppose I don't HAVE to go...

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week DANI MAYE has been reading through your letters and emails. Here's her advice...

Sex-hungry blonde tucks into flesh and chippies!

Dear Dani,

I'M a 38-year-old carpenter and I was recently called to do some work on a big job at a new estate.

There were 20 chippies on site and all they could talk about was the antics of a busty blonde woman who was buying one of the houses.

Apparently, she came down to check on the work on her house every day and they told me she never failed to nosh off a few of the lads.

Sopping

At first I didn't believe them. But sure enough, later that day she turned up and spread herself on a blanket and started to frig herself off.

She encouraged us to get our cocks out and have a wank over her, but I was too shy to join in.

A few of the fellas didn't need asking twice, though. They set at it and soon she was covered in spunk.

The next day she bent over, pulled down her knickers and told us all to get our tongues in.

Again I was too shy to join in, but several of the fellas managed to get their tongues and fingers in.

As we were nearing the end of the job, she announced that if we finished on the date we'd arranged she would let every single one of us shag her.

We worked round the clock to get the job done on time and on the day she arrived wearing a big fur coat.

When she saw we'd finished, she slipped it off to reveal her sussies, peephole bra and nothing else.

This was my dream come true and I promised myself I'd get stuck in this time.

After about 15 of the lads had been through her, I stepped up and eased my cock into her sopping fanny and charged ahead until I shot my load deep inside her.

It was excellent and all the fellas cheered me on.

Now I'm ready for it at the drop of a hat.

MC, south London

Dani says...

With the housing market being so unpredictable, you'd best get your kicks where you can.

Dear Dani,

I'VE had my lovely, sporty little car for some years and I like going for long drives in the countryside to kedep it ticking over.

The other week, I was enjoying a quiet ride through the Yorkshire Dales when I got a puncture, but fortunately after a few minutes a kind bloke stopped to help me.

He was quite a hunk and I reckoned he only pulled over after seeing my boobs in my flimsy blouse.

I'm in my thirties and still in pretty good shape, so after he changed my tyre I offered him a shag in the back.

But he said he'd only stopped as he liked my car. I was shocked and just a bit offended. Whatever happened to red-blooded men?

RS, Middlesbrough

Dani says...

WHO cares as long as you get your tyre fixed?

Dani says...

NOW it's time for you go and swallow some frothy liquid!

Siri: I'll let you watch me lose my bum cherry

"SIRI – show me your big heavy milkers!"

If Carlsberg did AI assistants, they would look like this.

But this Siri is even better than her Google namesake – because she talks BUM SEX.

She said: "I'm going to do anal and when I do, you'll have front row seats."

The 32H all-natural stunna, from Minnesota, added: "I'll do anal when the time is right. And that moment just isn't here yet! But believe me, you'll know when it is.

"I will make sure my fans are the first to know when I decide to start putting things in my butt!

"I also intend to do gang bangs and bukkake eventually. I'm looking forward to all of it!"

GUNNERS IN GRIEZ HUNT

ANTOINE Griezmann could be a shock buy for Arsenal.

The striker has fallen out of favour at Barcelona and doesn't want to fester on the bench as he approaches 30.

The Frenchman cost the Catalan giants a massive £110m last year. But he's failed to make an impact with just eight goals in the league this season.

He has failed to hit the target since La Liga resumed with just one strike in his past 15 appearances.

That has led Barcelona to make it known that they would listen to offers — with £70m thought to be enough to get the deal done.

Or there could even be a swap with Pierre-Emerick Aubameyang and cash.

GREEN MACHINE

Mason can be United legend says Solskjaer

MASON Greenwood can join the Old Trafford greats.

By JOHN ANTHONY

That's the view of Man United manager Ole Gunnar Solskjaer who thinks the 18-year-old has what it takes to reach the very top.

The youngster has made a real impact since football kicked off again and is pushing for a regular place in the team.

And Solskjaer believes it won't be long before Greenwood is a household name.

The Norwegian said: "It's not easy as a young boy, he could still play in the FA Youth Cup team. So he's a young boy and we have to look after him.

"But from the bench or when he starts he performs. He's developed fantastically this season so the sky is the limit. It's up to him. He knows what he can do, should do and must do to keep on playing.
